ADMINISTRATIVE ORDER

In accordance with the provisions of R 436.1802(14), the January 10, 2006 Liquor Control Commission Order regarding the delisting of codes is amended to include a provision for products with a minimum shelf price of \$200.00 and is restated and adopted as a business operating procedure for the delisting of codes:

Currently listed liquor products which have been listed more than six months with sales of less than 3 standard cases in the previous six month period will be presented to the Commission for delisting.

Currently listed 70000 series product code numbers which have been listed more than one year with sales of less than 6 standard cases in the previous one year period will be presented to the Commission for delisting.

Products with a minimum shelf price of \$200.00 or more with no sales activity in a one year period will be presented to the Commission for delisting.

The six-month sales periods will be the accounting months of October through March and April through September.

The one year sales period for the 70000 series product code numbers will be reviewed at the end of the March accounting month and on September 30.

All state owned inventory which is delisted will be returned to the vendor of record at the time of review, the total current case cost of this inventory will be deducted from subsequent purchase orders.

A product which is delisted may not be resubmitted for listing for a period of six months.

A product which is delisted twice may not be resubmitted for listing for a period of one year.

The July 29, 2007 price list will be prepared in accordance with the October, 2006 through March, 2007 sales period.
